

BALBOA PARK

PLANNING BART continued working with MUNI and the SF Department of City Planning to develop improved access to Ocean Avenue and at Geneva Plaza. BART staff participated in preparation of a new master plan for City College which calls for development of a new pedestrian-oriented entrance on Ocean Avenue with numerous recommendations for improved pedestrian safety and connectivity.

ACCESS IMPROVEMENTS In 2003, new bike racks were installed at this station, bringing the total to thirty-five. This station will have new, ADA-compliant platform edge tiles installed, pending the receipt of grant funds.

REINVESTMENT This station is scheduled to have new, energy efficient lighting fixtures and lamps installed inside the station in 2005, as part of ongoing station renovation program activities.

CAPACITY IMPROVEMENTS Phase One capacity improvements, including a new escalator, stairs, faregates and emergency exit improvements are complete. Final touches, in the form of new finishes, will be applied in Spring 2004.
